Tampa Roofing Company,

It is with great pleasure that I write this letter to express my gratitude for the superior job conducted at my home. Mr. Gantt Rorebeck took the time to listen to my goals, fine tune a plan and execute on time. The personnel assigned to my project were top notch professionals and also took the time to listen to me as the customer and went out of their way to ensure my satisfaction. As a real estate broker in this community, I will gladly refer any opportunity to Tampa Roofing Company, thank you for conducting such a professional job and providing sincere customer service.

Sincerely,

Jeramiah Bustin
